## Leader of Distinction Award

“Each year, the Canadian Student Leadership Association (CSLA) recognizes its “Leaders of Distinction” from schools across Canada. Leaders of Distinction are advisors (education professionals) who have consistently demonstrated excellence in leadership, and an extraordinary commitment to the development of student leadership in Canada. Leaders of Distinction are announced annually at the Canadian Student Leadership Conference.”

Congratulations to Louan Statchuk on receiving the 2018 award for Alberta. She is truly deserving of this award for her work with students at Olds High School. Under Louan’s leadership, Olds High School has hosted both Provincial and National Leadership conferences. As well, Louan has developed the Leadership program at Olds High.

## Senior Girls Volleyball South Central Zone Championship

The Spartan Senior Girls Volleyball team is having a very exciting season and are proud to be hosting the South Central Zone Championship on November 16-17, 2018. The schedule will be released after the November 7th rankings.

This will be the first time the Senior Spartans have ever hosted the volleyball championships in our own building. Come on out and cheer them on. All the volleyball action will be very exciting. Admission is free.

We are looking for anyone with volleyball experience who would be willing to do lines. Typically a member from each team does this but it puts a tremendous amount of stress on that athlete and takes them away from their team during the games. If you are interested please contact Wanda Vandervelden at [wvandervelden@cesd73.ca](mailto:wvandervelden@cesd73.ca)

Our production of Sister Act is looking for a blue fur coat or stoll. If not blue, then perhaps another unnatural colour. If you can help please contact Ms. West at [rwest@cesd73.ca](mailto:rwest@cesd73.ca).

Mountain View Power is sponsoring tickets to the Olds Grizlys games for students who are caught doing a random act of kindness. If you see a random act of kindness, please report it to the OHS office.
