A Message from our Principal...

Welcome to the 2018-2019 school year at OHS. I hope that you had a great summer and that you were often able to connect with friends and family. I know that even as you are reading this you may be busy with back to school shopping and getting ready for the first day of the new semester. September really is more of a new year in our school community than January 1st. As Principal of Olds High, I am honoured and humbled at the responsibility involved in this great job. What I will promise to all of you is that the combination of outstanding students, supportive parents, and committed staff at OHS, represent the trademarks of our excellent learning community and the building blocks of a great year ahead. I look forward to a wonderful season of learning and to meeting with each of you.
