

Registration for Grade 11 (present Grade 10) students

- ✓ Grade 11 students must be enrolled in a minimum of 40 credits at OHS.
- ✓ You must enroll in courses that meet the **requirements for a high school diploma** as shown below:

Physical Education 10

Math 20-1, Math 20-2 or Math 20-3

Science 24 or any other 20 level Science (Biology/Physics/Chemistry/Science)

CALM 20

English 30-1 or 30-2

Social Studies 30-1 or 30-2

10 credits in Fine Arts/CTS/Physical Education 20 or 30./2nd Language

10 other credits at the 30 level

*Check your credits on *MyPass.alberta.ca* account.

- ✓ You can view the OHS Course Handbook on the school website <http://www.oldshigh.ca>
- ✓ If you are unsure about which level to choose (Eg. English 20-1 or 20-2) consult with your subject teachers.
- ✓ Your selections are very important to the scheduling process. We choose the number of classes offered based on the number of requests. Changing your request next fall is not always an option.
- ✓ Be sure to complete the alternate course section in your course request as some classes may not be offered if the number of requests does not warrant a class and/or some courses that are only offered once may not fit your schedule.
- ✓ OHS students have an opportunity to enroll in dual credit courses in the areas of welding, machining, carpentry, hairstyling, cosmetology, landscape design, equine, fashion, office administration, business, tourism and health care offered through Olds College. List the courses you are interested in on your course registration sheet.
- ✓ Check your quad areas for post-secondary calendars or utilize the following websites as well as post-secondary institution websites to research programs:
www.alis.alberta.ca - provides information on occupations, admission requirements for post-secondary training and financial information. Scholarship information is also available. Check the math requirements at various postsecondary institutions at <http://alis.alberta.ca/ps/ep/aas/ta/mathreq.html>.
www.tradesecrets.gov.ab.ca - provides information on trades, apprenticeship and industry training in Alberta.
