OHS Parent Council

Our last meeting was held on Monday, January 29th and we had a good crowd. Parent Council received a card from the OHS staff thanking everyone who brought food, decorated and planned for the Staff Appreciation Day. The staff was incredibly grateful and said how much they appreciated all that was done for them. Special thanks to all who contributed!

Most parents responded positively to the new format of the newsletter, saying it was timely and relevant. We heard positive reports from Canadian Parents for French Olds, who will be having their AGM on February 13, 2018, and the Band reported a successful Christmas concert and bottle drive with proceeds going towards the growth and maintenance fund. Look for a Spaghetti Dinner Fundraiser that will happen in March.

Our parental education component was a YouTube video that was titled, "How to raise successful kids without over parenting", by Julie Lithcott-Haims. Google it for yourself and see what she has to say about love and chores. It was well received!

As always, parents are welcome to come and share concerns and ideas for how our school can improve. We had some discussion time around vaping and other contraband substances and were pleased to learn the school has a very strict policy regarding these issues.

Our next meeting will be held on February 26th at 7 pm. Hope to see you there!

Welcome our new Educational Assistant...Nicole Lockie

We are happy to welcome Nicole Lockie to Olds High School as an Educational Assistant. In addition to Nicole's daily classroom schedule, she will be offering math help in the Gold quad after school on Tuesdays and Thursdays from 3:15 pm to 4 pm. All OHS students are encouraged to take advantage of this opportunity if they need help with Math.
