## A Message from our Principal...

The 2017-2018 year is almost complete. After all of the classes, practices, games, meetings, activities, and performances, we can reflect on our many great memories. To the graduating class, I want to express how grateful we have been to have you at OHS. You have been great leaders and have done so well academically. Good luck

with whatever you might pursue. To the returning students, I hope you have a restful summer and we will see you in the fall. Thanks to everyone in the OHS community for a great year.

Tom Christensen,  
Principal

## Report Cards

Report cards for all grades *will not* be distributed or mailed at the end of June. To check your child's year end marks and comments, please use your PowerSchool Parent Portal. For those parents/guardians that do not have an account created yet, please watch your mail for instructions on how to set up an account.

## Congratulations...

Congratulations to Kyra Kjargaard whose photo was a winner in the Olds Library Teen Photo Contest. Kyra's photo was the winner in the "Space" category.

Our office will close for the summer at 4 p.m., Thursday, June 28, 2018. We will open after summer break on Monday, August 27, 2018.

The grad photos are now available for graduates to have. Grads, you are welcome to take copies of photos of yourself and friends, however we ask that you not share on social media any photos that are not of you, and if several people are in the photo, that you have their permission to share them. Additionally, there are over 1,000 photos taking up gigs of space, so you may want to be selective which photos you take. Here is the [link](#).
