A message from our Principal

On Monday, March 5, a presentation on social media is being presented to OHS students, parents and staff. The sessions are designed to help us all in dealing with social media aspects of our lives. I hope you will find the time to come out at 7 p.m. on Monday, March 5, 2018; it will be worth your time for sure.

Good luck to all of the basketball teams as they wrap up their seasons this week. On March 12, our season for rugby, badminton and boys soccer will begin. Track will get underway in April.

In two weeks we will be hosting the Music Festival again. Good luck to the choir, band and all individual entrants to the Kiwanis Festival.

Finally, interim reports will be prepared in the next few weeks but remember to check PowerSchool at any time to monitor your child's progress.

Safer Schools Together

On Monday, March 5, 2018, all parents are invited to a presentation, Safer Schools Together, to learn about what students are accessing through social media. This session will help with strategies for managing a child's social media activities. The presentation will be at 7 p.m. in the OHS Commons and is sponsored by the Olds RCMP detachment.

Junior Forest Ranger Program

Are you looking for excitement, adventure and challenge this summer but also want to make some cash? Well look no further! Agriculture and Forestry accepts application for the Junior Forest Ranger Program (JFR) until April 1, 2018. If you are a current high school student aged 16-18 looking for a new experience then this job is for you. The JFR program will give you the opportunity to find out about careers in natural resource management, to gain employable skills, and to make new friends. Contact [Mrs. Tschoumy](#) for more information.

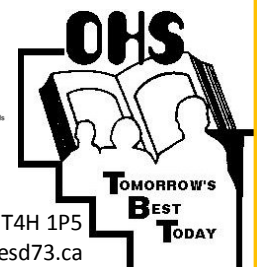

The OHS Art program is in need of newspapers for an upcoming project. If you have newspapers that you would be willing to donate, please drop them off at the OHS office.
