

The lead French Immersion class at OHS is in grade 11 this year! We now have two classes: grade 8/9 and grade 10/11. Junior students take most of their core classes in French, and the immersion time gradually decreases as they enter high school. The French Immersion courses offered this school year are as follows:

Grade 8

French Language Arts  
Études sociales  
Sciences  
Mathématiques

Grade 9

French Language Arts  
Études sociales  
Sciences

Grade 10

French Language Arts  
Culture française

Grade 11

French Language Arts  
Culture française

OHS successfully implemented their first round of DELF (Diplômes d'études de langue française) testing in June of 2015, with the majority of students earning a certificate at the B1 level.

Many of our students have taken advantage of some enriching cultural opportunities. Last year several French students travelled to Quebec City to experience the famous Carnaval de Québec. In addition, we have had three students participate in a 3 month exchange to France in order to enhance their French language skills.
