Olds Canadian Parents for French (CPF)

The Olds Canadian Parents for French (CPF) is hosting an information night for everyone interested in learning about the CPF group, what we do, and how we are involved in the community. We would also like to hear from families and members of the community about what they would like to see in Olds to support the French language and culture. Please join us on Tuesday, Nov. 21st @ 7pm at the Olds Municipal Library.

Host Family Needed!

Are you interested in an enriching cultural experience? Consider hosting an International Exchange student. We are currently looking for a host family for a 16 year old female exchange student from Mexico for the second semester of this school year (January—June). This would be an excellent opportunity for former, current or future Spanish students to become more fluent, or for anyone interested in learning the Spanish language.

Please contact mhillier@cesd73.ca (Mme Hillier) for more information.
