After the end of our first five day week, we celebrate that our students are settling into routines and the extra-curricular events are in full swing.

Next week we have our Gold, Blue, and Green quad retreats which are part of a long standing tradition at our school. Our staff have been busy planning these retreats and we are grateful to have the off-campus opportunity to build strong connections with our students.

Our JV and Sr. volleyball teams have started practicing, and our final volleyball grade nine girls team will be solidified by early next week. We were so excited that after a battle with Drumheller last week, our Spartan Football team came out victorious. Cross country runners are training after school and our golf team finished number one at the CEEA Sr. High Golf Invitation this past week. These sports teams would not happen without the staff and community coaches who donate their time to our athletes—thank you.

For any students new to EOHS, our Interact Club is planning a welcome potluck on Sept. 23rd, from 3:30-6:30pm in the Green Quad. Even though this event is planned for connecting with new students, we welcome anyone interested in Interact (student version of Rotary) to attend.

We still have many demographic forms that need to be updated for the 25/26 school year. This form needs to be updated yearly for every student. Please log into PowerSchool through our website, or use the [link](#) and find school engage on the left hand menu to update current information. We need these forms completed for students to have access to our school chromebooks, updated contact and emergency information, and includes the walking field trip form. We appreciate you taking the time to complete the form this weekend.

Thank you to all grade 10-12 families who attended the Post-Secondary Event this past Thursday, hosted in The Commons. We hope the displays and information sparked some interest and started conversations about potential future plans.

We are honored to be with your children each day and we wish everyone a great weekend.
